

DAGNA CRUZ

Center for Disabilities Services

Dagna is a Director of Residential Services for the Center for Disability Services. When she began her journey with the Center for Disabilities Services twelve years ago, she immediately fell in love with the intellectual disabled population. Dagna has provided services, programs and resources to many adults who have various disabilities including intellectual disabilities, cerebral palsy, multiple sclerosis, autism, epilepsy, traumatic brain injury and mental health issues.

Dagna believes that her passion and integrity, which demonstrates trust and honesty in all her actions, has shaped her leadership role within the organization. She has positively influenced many people by guiding and mentoring them in areas that have enabled and empowered people with disabilities to lead healthy & enriched lives.

Dagna holds a Bachelor of Science in Legal Studies from the Sage Colleges.
