

**TESS CLEARY**

Northern Rivers Family of Services

Tess Cleary works in the Quality Management department at Northern Rivers Family of Services, the parent organization of Parsons Child and Family Center and Northeast Parent and Child Society, human services agencies dedicated to helping children, adults, and families. Tess joined Northern Rivers as a Clinical Auditor November 2015 and as of January 2018 is the Senior Quality Improvement Analyst focused on compliance, auditing, and other quality improvement initiatives.

As a Licensed Master Social Worker, Tess is able to apply her human services knowledge through a compliance and quality improvement focus. She enjoys the possibility of being part of efforts to make change on a systems level. Tess previously worked assisting housing and homeless service agencies acquire federal funding, monitor performance standards, and operate as a system of providers to meet the needs the Capital Region and surrounding areas.

Originally from the Albany area, she graduated from Marist College in 2011 with her Bachelor's degree in social work and from SUNY Albany in 2012 with her Master's degree.
